

REMARKS

Claim 1 was rejected under §103 but dependent claim 2 was stated to be allowable. Claim 1 is now amended to include the subject matter of allowable claim 2, which is canceled without prejudice to reentry. The rejection of claim 1 is now moot.

Claim 3 was also rejected under §103 but claim 3 now depends from an allowable claim and this rejection, too, is now moot.

Entry of this amendment should put the application into condition for allowance and therefore is proper. Entry and allowance are respectfully requested.

Respectfully submitted,
